Dear Arkansas educator:

The Arkansas Department of Education recently posted updated versions of the Arkansas Refrigerator Curriculum on the new ADE website. The documents are available for kindergarten through grade 8 and are aligned to the CCSS for ELA and mathematics. The documents may be accessed at this link: <http://www.arkansased.org/divisions/learning-services/curriculum-and-instruction/resource-materials-for-lesson-plans>

Additionally, the National PTA has materials for parents about CCSS. These documents are available at this link: <http://pta.org/4446.htm>

Please forward this information to other fellow educators in our state!
Thank you for serving the students of Arkansas!
